About

Coastal Group is a reputed Qatar based Company established in 1979, with major operating divisions in Construction, Trading, Steel Fabrication, Project Support & Logistics.

Coastal Trading & Engineering Co. is an ISO 9001 and 14001, OHSAS 18001 Certified Company and member of the US Green Building Council & Qatar Green Building Council.

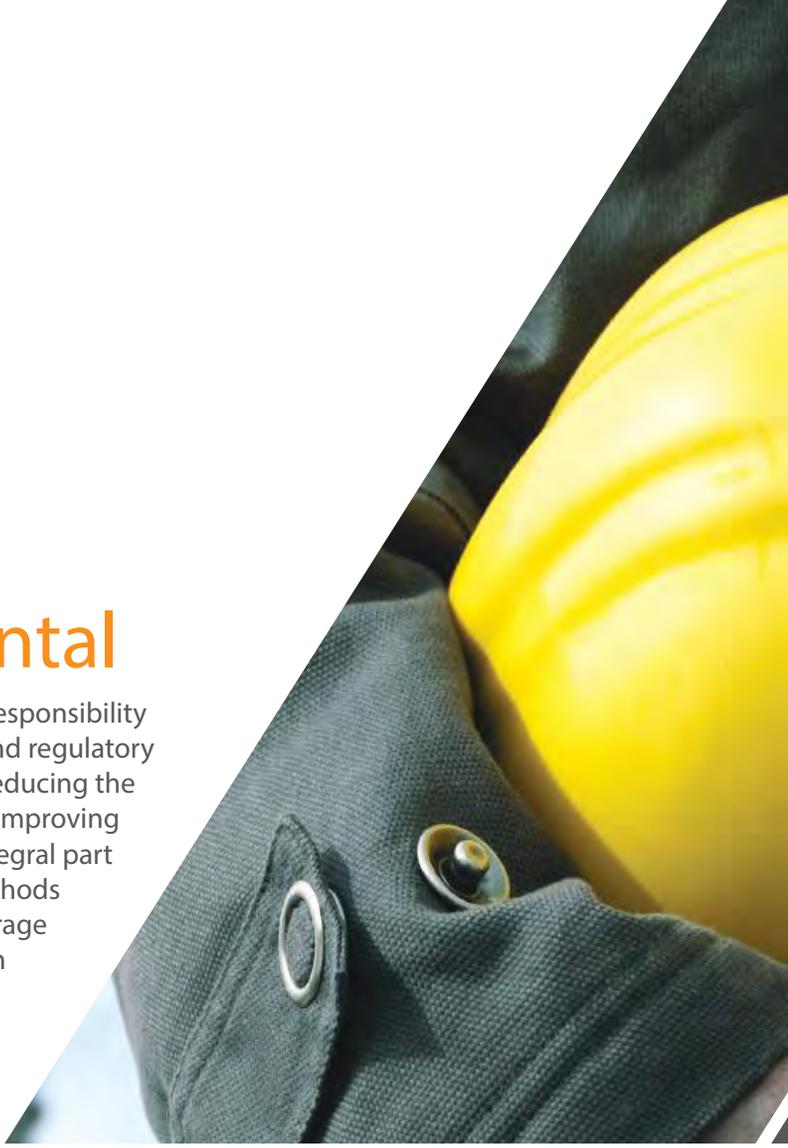

COASTAL operates with a clear vision and corporate responsibility by prioritizing customer service, customer satisfaction and safety as our core values.

COASTAL has a team of competent professionals and specialists, supported by an experienced workforce in Construction, Fabrication, Erection and Logistics.

Our facilities include a modern and well equipped fabrication workshop, blasting and painting unit, carpentry workshop and a fleet of transportation vehicles and project support equipment.

Environmental

COASTAL recognizes that it has a responsibility to the environment beyond legal and regulatory requirements. We are committed to reducing the environmental impact and continually improving the environmental performance as an integral part of our business strategy and operating methods with regular review points. We always encourage customers, suppliers and other stakeholders on continuous improvements. COASTAL has been a member of the US Green Building Council since 2009 and is an active member of the Qatar Green Building Council and regularly participates in various initiatives to promote sustainable building practices.

Safety & Quality

Safety of our employees and Quality of our service and products are among the Primary Concern & core values of COASTAL. We strongly believe in our motto:

“Doing it right the First time, Every time”

COASTAL is committed to creating a workplace that is safe, healthy and injury-free. We have always and shall continue to hold safety as one of our most important responsibilities in the operation of this organization. We firmly believe that production and safety go hand in hand and that a safe working environment leads to improved production.

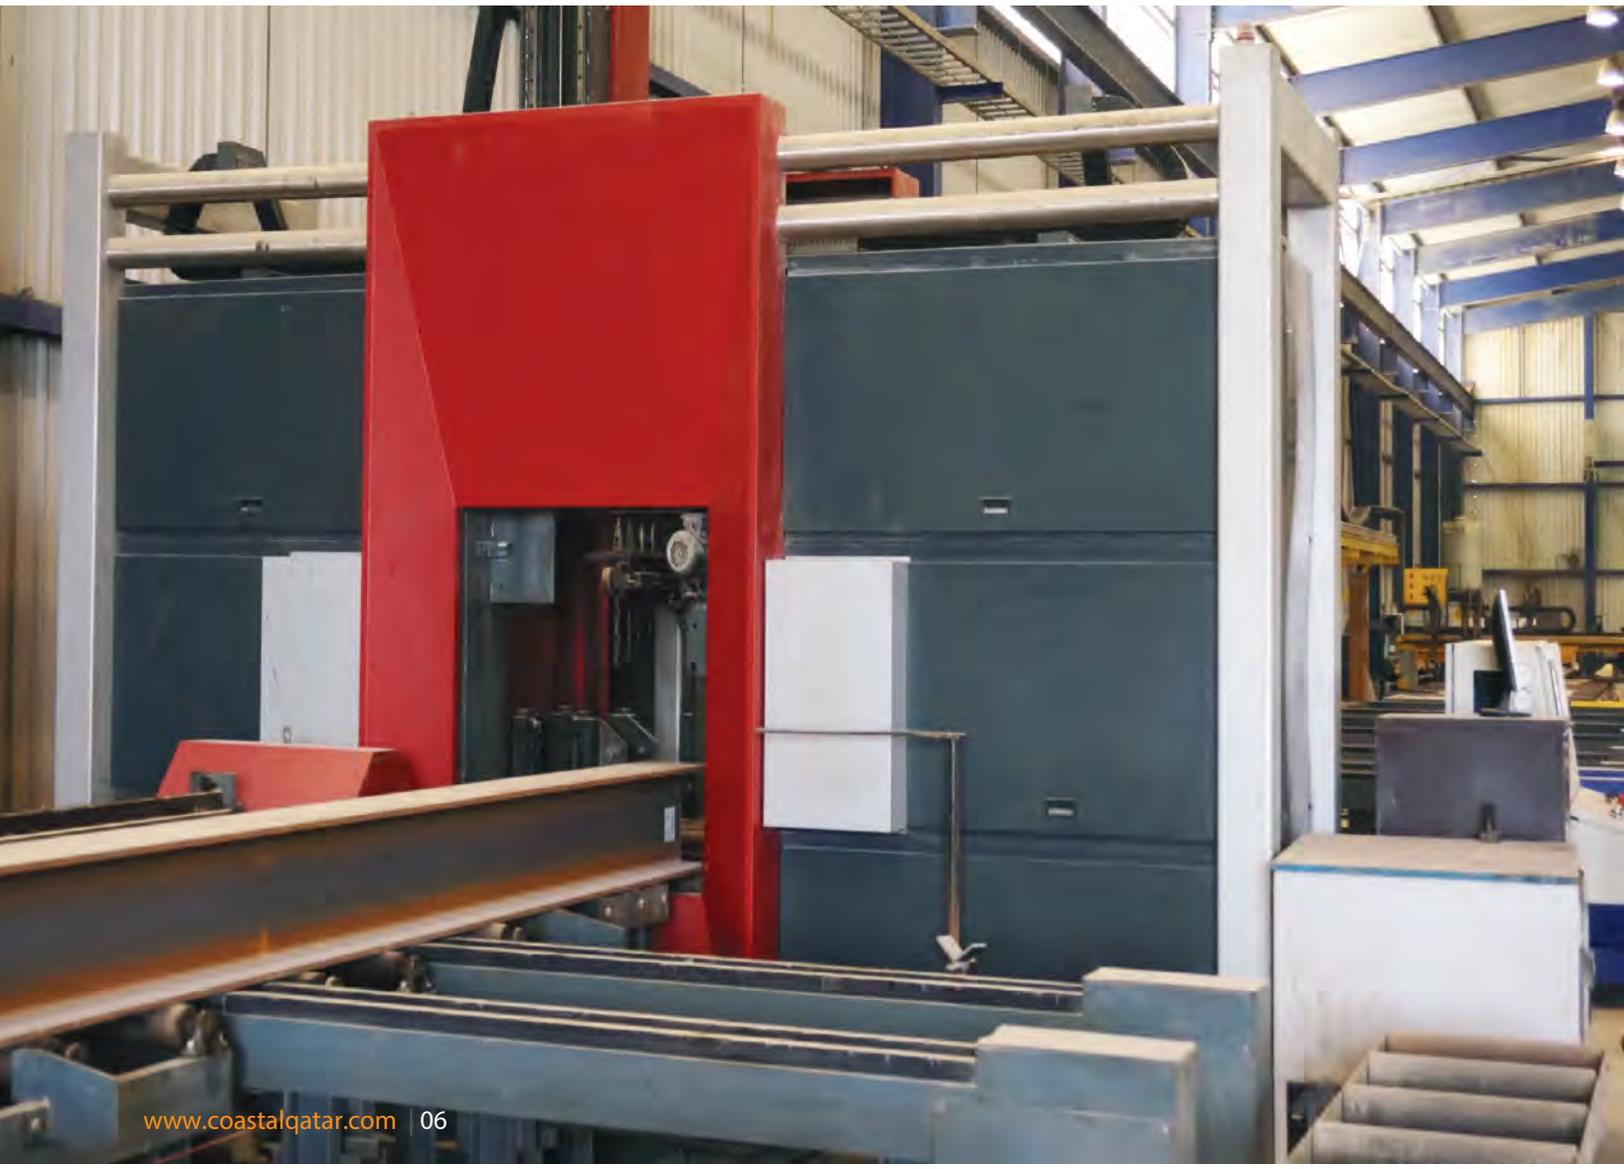

Our employees are our most valuable assets, and their safety and health is our first priority. Safety is essential to all business functions and is never compromised under any circumstance. Every employee has a responsibility to maintain our work environment and strive towards preventing accidents. No Job is that important that it cannot be done safely.

COASTAL, is committed to providing high quality and reliability services and products. We are committed to continuous improvement in quality with the goal of meeting or exceeding our customers' expectations. Improvement in Quality is the objective and obligation of every employee at COASTAL. Our commitment to quality improvement will lower costs by eliminating errors, resulting in the best service and highest degree of customer satisfaction.

Pipe Fabrication

Plate Processing

Stainless Steel Works

Machining Jobs

Painting

Water Jet cutting

Baggage Handling System

Client : NDIA Steering Committee

Consultant : Bechtel, Qatar

Contractor : Pteris global limited

Scope of work : Fabrication of Steel Platform for Baggage Handling System and Handrails.

Steel Works for Emiri Terminal at NDIA

Client : NDIA Steering Committee

Consultant : Bechtel, Qatar

Contractor : CTJV

Scope of work : Fabrication and Installation of Various Steel Structures.

Glazing Support

Client : NDIA Steering Committee

Consultant : Bechtel, Qatar

Contractor : Skyoryx JV

Scope of work : Fabrication and Installation of Steel Glazing Supports.

Steel Works

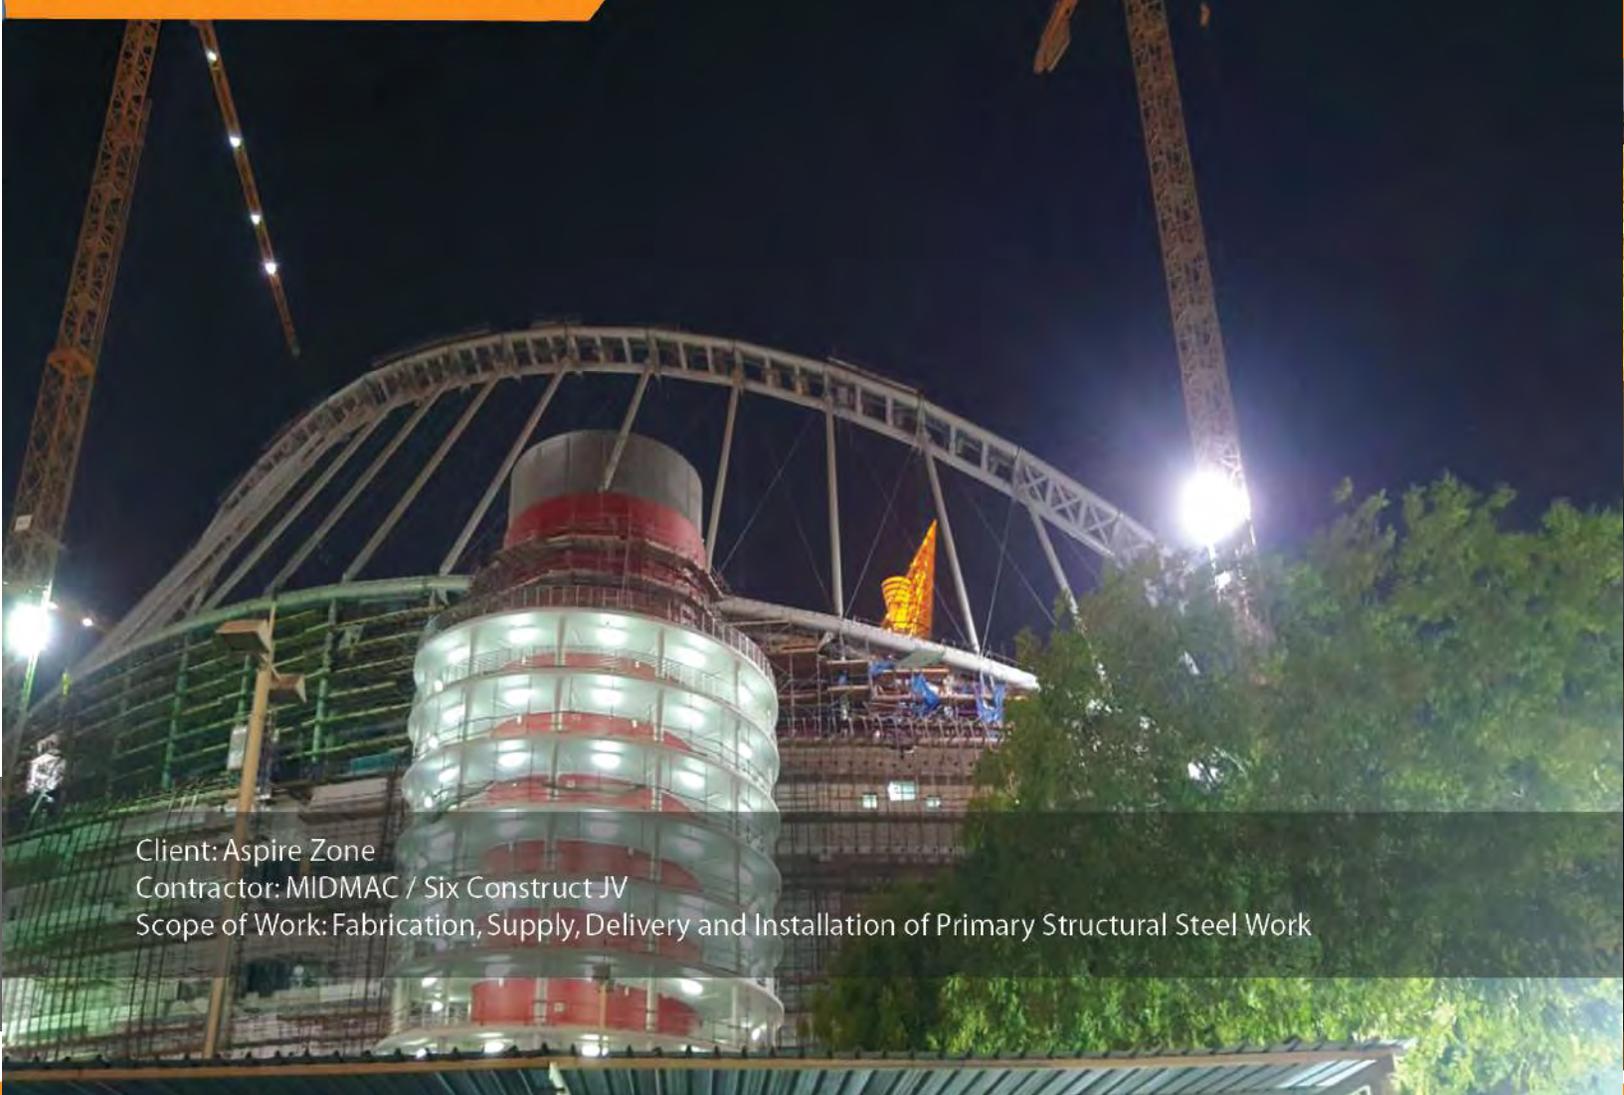

Client : Qatari Diar Real Estate Investment Company

Contractor : Samsung C & T Engineering & Construction Group

Scope of work : Supply & Installation of Grider Steel & Rocker Links work.

Steel Work at Khalifa Stadium

Client: Aspire Zone

Contractor: MIDMAC / Six Construct JV

Scope of Work: Fabrication, Supply, Delivery and Installation of Primary Structural Steel Work

Structural Steel for Mosque at NDIA

Client : NDIA Steering Committee

Consultant : Bechtel, Qatar

Contractor : CTJV

Scope of work : Various Fabrication with Supply of Dome Steel Structure .

Onyx Wall Steel Works

Client : NDIA Steering Committee

Consultant : Bechtel, Qatar

Contractor : skyoryx JV

Scope of work : Fabrication and Erection of all Stone Cladding Sub Steel Structure.

Security Portal

Client : NDIA Steering Committee

Consultant : Bechtel, Qatar

Contractor : Skyoryx JV

Scope of work : Fabrication and Installation of Security Portal Secondary Steel.

Springler Support

Client : NDIA Steering Committee

Consultant : Bechtel, Qatar

Contractor : Skyoryx JV

Scope of work : Fabrication and Installation of Sprinkler Supports.

Structural Steel Works

Client : IIB

Consultant : HBK

Contractor : AGR

Scope of work : Fabrication and Installation of 300 tons of Steel Works. The work includes fabrication, NDT, Blasting and a coat painting of 300 Tons of steel frames to support the Podium Facades Tower. The Design is complex and has a unique architecture.

www.coastalqatar.com | 16

Cladding Work at ASPIRE STADIUM

Client : Aspire Zone

Contractor : Arabian profile

Scope of work : Installation of ACP of 18,000 sq mts.

Steel Work at RASGAS

Client : RASGAS

Contractor : CCC

Scope of work : Fabrication and Supply of Stainless Steel Pipe Clamps.

Steel work at Sheraton Car Park Project

Client : Sheraton

Contractor : QDVC

Scope of work : Fabrication and Erection of Steel Beams for the Support for Utility Electric Supply

Steel Work for Qatar TV

Client : TVSDC - Qatar Television

Contractor : Coastal Trading & Engineering Co. wll.

Scope of work : Design ,Fabrication and Erection of Steel Supports for the Studio Works at Pearl Qatar.

Steel work at Qatar National Museum

Client : Qatar National Museum Committee
Contractor : Hyundai
Scope of work : Fabrication and Installation of steel Structure

Steel Work for Pearl Mansion

Client : Private Engineering office
Contractor : Permasteelisa Gartner
Scope of work : Fabrication and Erection of Steel Structure

Steel Work at Doha Conventional Centre

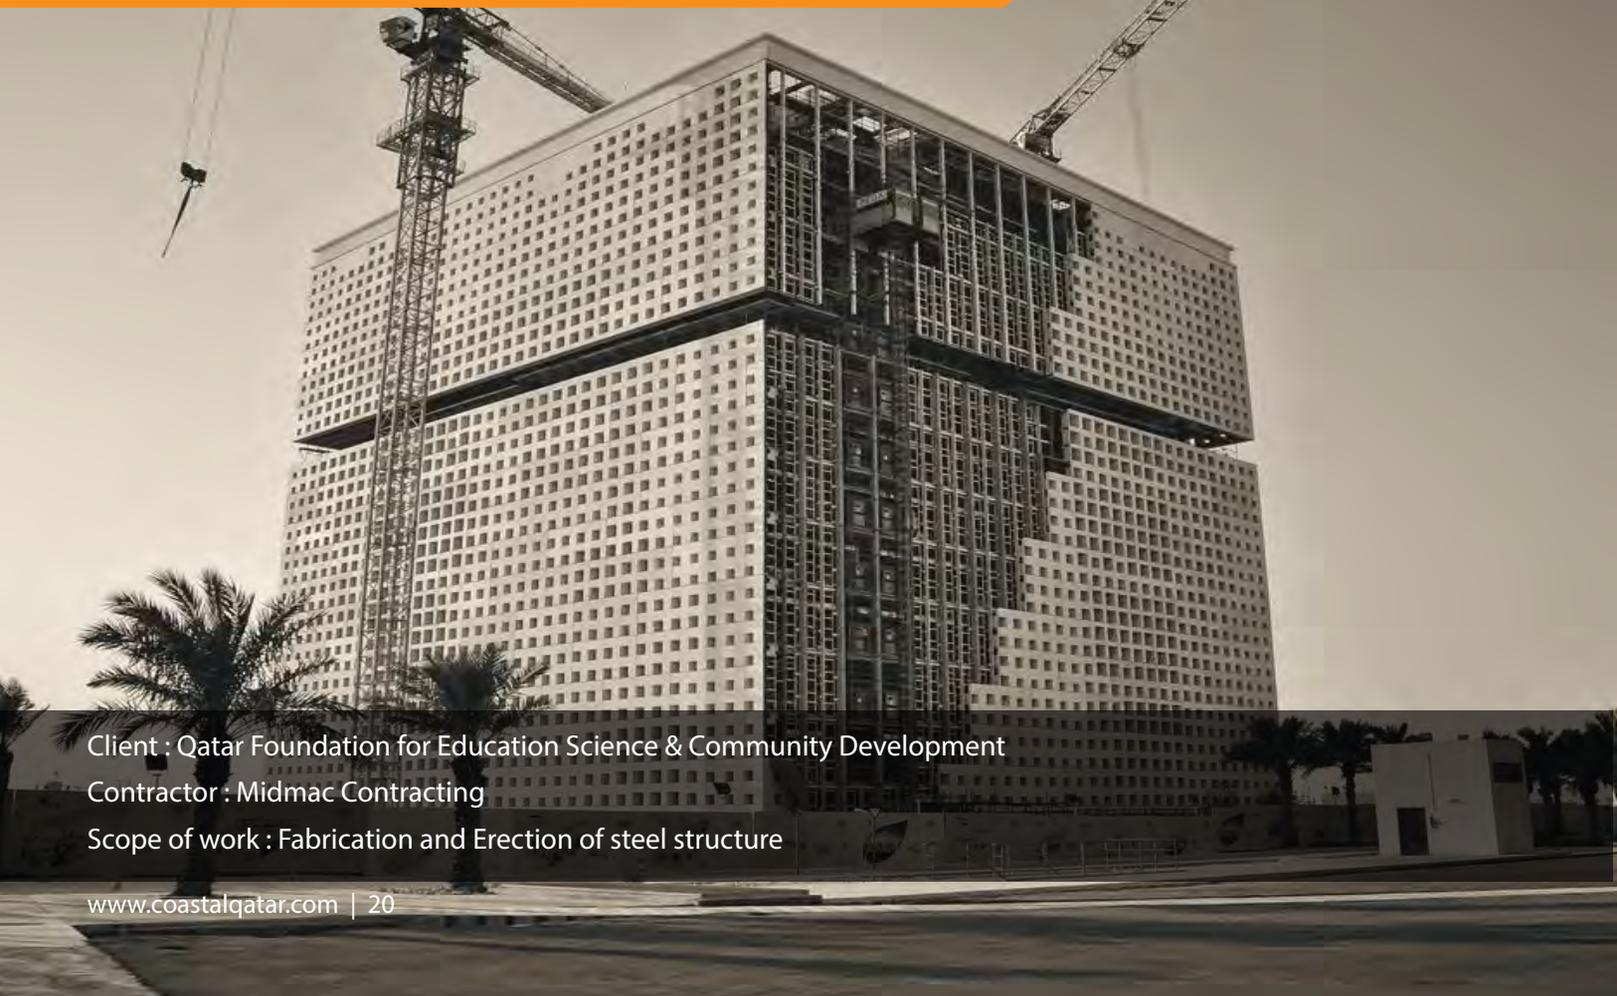

Client : Qatari Diar Real Estate Investment Company (QDREIC)/ Barwa Real Estate Company

Contractor : Six Construct/Midmac Contracting Joint venture

Scope of work : Fabrication and Erection of steel structure

Steel Work at Qatar Foundation Head Quarters

Client : Qatar Foundation for Education Science & Community Development

Contractor : Midmac Contracting

Scope of work : Fabrication and Erection of steel structure

Transportation & Equipment

With a wide array of transportation vehicles and building construction equipment, COASTAL provides support for transportation & equipment requirements for projects. The list includes transportation and construction equipment ranging from buses, trucks, trailers to wheel loaders and excavators.

Construction Equipment & Machinery

- Pick ups
- Bus 15, 25, 66 Seater
- Dump Trucks
- Boom Trucks
- Trailers
- Lowbeds
- Wheel Loaders
- Fork Lifts
- JCB
- Cranes (20, 40, 50, 120 tons)
- Road Rollers
- Water Tankers
- Sewage Tankers
- Rock Breakers
- Generators
- Welding Machines
- Compressors
